

**A Concert for Young People...and those Young at Heart!**

**Spring has arrived and music is in the air!**

**On June 9, the Friends of the Cresskill Library (FOCL) will host a benefit concert for children and their families at the Cresskill Senior Activity Center, Cresskill, NJ. This entertaining and educational concert is made possible through the generosity of Rebecca Young and her fellow musicians of the New York Philharmonic. Come join us and expose your children to the wonders of classical music in a relaxed setting. Stay after the concert to meet the musicians and see their instruments. All of the proceeds of this concert will be directed to the Cresskill Public Library in order that the Library may augment its collection and public programs. We look forward to seeing you on June 9!**
