"Wagon Master"

Directed by four time Oscar winner John Ford in 1950. A powerful western showing how human nature remains deadly and unpredictable.

88 MIN

April 28, 2010

"Make Way for Tomorrow"

The tragic story set in Depression America. Two elderly married people that lose their home and are forced to live with their indifferent children. Depicts the frustrations of aging, family and the generation gap.

One of Hollywood's masterpieces from 1932

92 MIN.
