What's New? Block Style Voting!

- Contests are **grouped in easy-to-read blocks.**
- **Each block has a shaded heading with the office up for election and how many candidates you can vote for in each block.**
- Candidates running for the same office appear above and below each other in their office block.
- Each candidate has a **unique ballot position.** (Ex. 1A, 2A, 1B, 2B)
- Candidates for different offices who are affiliated with each other will share the same slogan, instead of the same column.

Why? Updates to Ballot Titles and Instructions

- Bill No. 5116 was signed into law on March 6, 2025
- Clear and Fair Ballots
- **No candidate gets a preferential ballot placement** over another candidate running for the same office.
- Our enhancements to the ballots and instructions **reduce confusion and improve your voting experience** by making them clearer and easier to follow.
