Cresskill Police Department

The mission of the Cresskill Police Department is to provide professional quality police service to the
Borough of Cresskill.

We have been entrusted with the responsibility to maintain order, protect life and property and to improve the quality of life for all Cresskill residents, members of the community, and visitors. Our objective is to maintain a safe and secure environment for all by interacting with the community, emphasizing the control and prevention of crime and providing fair, impartial, efficient service to the public.

To demonstrate our commitment to our profession and to the public, the members of the Cresskill Police Department subscribe to the following values:

Excellence: We are committed to delivering quality police service by recognizing the importance of training, personal effort, teamwork, modern equipment, dedication to duty and strong professional standards.

Fairness: Impartial decisions and policies are the foundation of our interactions.

Integrity: We are dedicated to maintaining the highest moral standards by embracing the principals of honesty, trust and courage.

Respect: We recognize the value of our unique cultural diversity and treat the people with kindness, tolerance, and dignity.
